

Ascension Catholic Church and School follow the Archdiocese of St. Louis Safe Environment Program

The Archdiocese of St. Louis has developed a new system for safe environment compliance called Prevent and Protect STL. Everyone ministering to minors and vulnerable adults in the Archdiocese are required to register in the new system. This includes all clergy, employees and volunteers, those new to service and those who are currently in service. For those who have already attended a live Protecting God's Children workshop, your previous training date will transfer to the new system. In addition to attending a live Protecting God's Children workshop, all clergy, employees and volunteers will:

1. Register for an updated background screening
2. View two new online training modules on abuse reporting and the Code of Ethical Conduct
3. Agree to the updated Code of Ethical Conduct

The link for both the current schedule for Protecting God's Children workshops and compliance registration is: <https://www.preventandprotectstl.org/>
