

3rd Grade Required Summer Reading List

Ascension Catholic School Students entering the 3rd grade for the 2022-2023 are required to read a novel at their reading level over the summer. The novel can be any genre, but it needs to be a book not previously read and one that is “just right” for them. Student reading levels can be found on their report card in the comments next to their reading grade.

To find a book at your student’s level, you can search online at [Book Wizard](#) or [Booksource](#), check the back of books, or ask at your local bookstore or library. Your student’s level is known as a GRL or guided reading level.

After reading the book, they will need to complete the attached book review form. The review will need to be turned in on the first day of school and credit will be given. If this information gets misplaced, you can also access it on our website <https://acsk8.org/> under Parents / Forms & Lists / 2022-2023 Summer Reading Lists.

If you are new to Ascension Catholic School this year and do not know your child’s guided reading level, please pick a book that is “just right” for them. This means that the book is challenging enough to expand their thinking and learn new vocabulary. They should be able to use different reading strategies rather than only decoding words. If 5 or more words are unknown on a page, then typically the book is too hard.
