

Dear Ascension Family,

Welcome to the 2022-2023 school year! For those new to Ascension, we are the Parents Association (PA), a volunteer organization made up of parents whose children attend Ascension Catholic School. As an Ascension parent, you are automatically part of the PA - Thank you!

PA's mission is to promote the welfare of our school and strive to build our community. Each year, PA plans events to support our teachers, staff, students and families. Some of our annual events will be back and be even better, such as Trunk or Treat, Father/Daughter Dance, Mother/Son Social, VIP Day, and more! We also have a few new "parent only" events including a Trivia Night this fall and a social event next spring.

We would love to hear your suggestions, new ideas or questions. You can reach us by email at parentsassociation@ascensioncatholicsschool.org. Also, watch your inbox each month for a PA email communication to share updates, upcoming volunteer opportunities and important dates and links.

PA relies on the help of **YOU** and our *entire community* to support and strengthen our school. We encourage you to get involved and volunteer. Our community is blessed with so many different talents and we are stronger for having each of you as part of our PA. We hope to see you at our first event this fall, the Welcome Back Coffee right after drop off on the first day of school, Tuesday, August 16th!

The Parents Association Board
